Qualifying Details	Please tick
The change of use, and any related works, will occur between 8 February 2018 and 31 December 2025.	
The structure has been vacant for a period of two years immediately prior to when the development takes place.	
Works shall affect only the interior of the structure and shall not materially affect the external appearance of the structure so as to render its appearance inconsistent with the character of the structure or of neighbouring structure.	
Any related works for the alteration of existing ground floor shop fronts shall be consistent with the fenestration details and architectural and streetscape character of the remainder of the structure or of neighbouring structures.	
No development shall consist of or comprise the carrying out of works to the ground floor area of any structure which conflicts with any objective of the relevant local authority development plan or local area plan for such to remain in retail use, with the exception of any works the purpose of which is to solely provide on street access to the upper floors of the structure concerned.	
No development shall consist of or comprise the carrying out of works which exceeds the provision of more than 9 residential units in any structure.	
Rooms for use, or intended for use, as habitable rooms shall have adequate natural lighting.	
Dwelling floor areas and storage spaces shall comply with the minimum floor area requirements and minimum storage space requirements of the "Sustainable Urban Housing: Design Standards for New Apartments – Guidelines for Planning Authorities" issued under section 28 of the Act or any subsequent updated or replacement guidelines.	

No development shall consist of or comprise the carrying out of works to a protected structure save where the planning authority has issued a declaration under section 57 of the Act to the effect that the proposed works would not materially affect the character of the structure or any element of the structure.	
No development shall contravene a condition attached to a permission under the Act or be inconsistent with any use specified or included in such a permission.	
No development shall relate to any structure in any of the following areas: An area to which a special amenity area order relates;	
An area of special planning control; Within the relevant perimeter distance area, as set out in Table 2 of Schedule 8 ⁶ , of any type of establishment to which the Major Accident Regulations apply.	
No development shall relate to matters in respect of which any of the restrictions set out in subparagraph (iv), (vii), (viiA), (ViiB), (ViiC), (viii) or (ix) of article 9 (1) (a), or paragraph (c) or (d) of article (9) (1), would apply ⁷ .	
No development shall consist of or comprise the carrying out of works for the provision of an onsite wastewater treatment and disposal system to which the code of practice made by the Environmental Protection Agency pursuant to section 76 of the Environmental Protection Agency Act 1992 relates and entitled Code of Practice – Wastewater Treatment and Disposal Systems Serving Single Houses.
