## **DECLARATION OF SUITABILITY:**

I declare that such burning will be done as a final measure following the application of the following waste hierarchy:

- i. reduction of waste arising in accordance with best agricultural practice,
- ii. reuse of waste where practicable,
- iii. recycling of waste through shredding and use as compost or wood chippings, where practicable,
- iv. salvage of waste for use as fuel, where practicable,
- v. disposal, where none of the options at (i) to (iv) above are practicable or economically viable but subject to the following conditions—
  - adequate measures will be taken to limit the overall nuisance or possibilities for endangering human health or causing environmental pollution, and
  - no accelerants will be used when undertaking the disposal activity.

## **FIRE SAFETY:**

I confirm that

- i. I have the ability, resources and equipment to control and contain the fire and to extinguish it if necessary
- ii. There is no threat to nearby properties
- iii. Smoke from the fire will not cause nuisance or endanger public safety
- iv. I have contact numbers for emergency services if this became necessary
