

Read newspapers anytime, anywhere on any device!

- Install the PressReader IOS or Android app from your app store  or visit pressreader.com using any browser
- Sign in - select the yellow library card icon, find your library & enter your library card number

PressReader app

pressreader.com

- A pop up & green coffee cup confirms you can now read newspapers online or download to read offline for 30 days on your device. Note: if you are asked to pay, do not proceed but go to your account and sign back in by selecting your library name and entering your library card number.

- At the end of the 30 days, simply go to your account, sign out and then back in again with your library card number to reactivate your complimentary access for another 30 days. Reactivate as many times as you wish!
