1st November 1906

FARMULLAGH
LONG ORD BY

Published by the Director General of the Ordnance Survey Office Phoenix Park, Dublin, 1913

Altitudes are given in Feet above the Low Water of Spring Tides in Dublin, which is taken below a mark on the base of the Pillar on Bullin Wall. Those marked thus (52) to the face of the Pillar are referred to the Mean Sea Level.

Altitudes indicated thus (B.M. 54.7) refer to Bench Marks on Bullin Wall. Those marked thus (52) to the face of the Pillar are referred to the Mean Sea Level.
