Dear Sir/Madam,

**Re: Zoning Submission For Existing Lands At Drumlish, Co. Longford On Behalf Of Green Pasture Meat Processors Limited.**

I refer to the above and I wish to inform the relevant parties that I as Chartered Engineer and Assigned Certifier make this submission on behalf of our clients Green Pasture Meat Processors. Please note that our clients company is a family ran business operating at the location shown outlined in blue and denoted with the letter "A" on the attached Draft Zoning Map of Drumlish for the proposed County Development Plan 2021 – 2027. It is our professional opinion that these lands should not be zoned as Town Core/Residential as is currently proposed but instead Industrial/Commercial/Warehousing given the long standing Commercial use (meat processing) of the said lands by the Davis family for several generations.

Yours sincerely,

Signed: 

***Mark Cunningham, BEng, MSc, CEng, MIEI.***
