**SUBMISSION TO: DRAFT COUNTY DEVELOPMENT PLAN 2021 – 2027**

Dear Sir / Madam,

As part of the Public Consultation process in relation to Longford County Council's ***Draft County Development Plan 2021 – 2027*** I wish to make representation for the following:

- The removal of the scenic route/ views as outlined in the attached maps

The stretch of road in question should not be considered a scenic route as there is no view towards Corn Hill at that point along the road. (Please see attached photographs ,1, 2 & 3)

The scenic view of Corn Hill begins further along this stretch of road in the direction of Corn Hill. (Please see attached photograph 4) and this is where the scenic route / view should commence.

Thank you in advance for your help and assistance in this matter.

Yours sincerely,

*Padraig Brady*
