Anne a chara,

I refer to your notification in respect of the above and I attach a copy of the Submission/Observation of the Northern and Western Regional Assembly in respect of the proposed Material Alterations to the Draft Longford County Development Plan 2021-2027.

I trust that the above is of assistance in concluding the process in due course and should any queries arise then do not hesitate to revert to me.

Le meas
Denis

**Re: Proposed Material Alterations to the Draft Longford County Development Plan
2021-2027**

A Chara

I refer to your notification of 12th July 2021 inviting submissions/observations to the Proposed Material Alterations to the Draft Longford County Development Plan 2021 – 2027. The Northern and Western Regional Assembly appreciate the opportunity afforded to it to comment on the proposed alterations, which shall help shape the future of the county and areas that lie beyond the county area, including part of the administration area of the Northern and Western Regional Assembly (NWRA).

The NWRA consider that, from a regional perspective, the proposals are generally positive and include proposals that will enable the NWRA and other interested parties to engage further at the appropriate time, through for example the preparation of the proposed retail strategy and the proposed renewable energy strategy. In finalising holistic policies for rural development it will be important for the plan to carefully incorporate the requirements of the Sustainable Rural Housing Guidelines and the National Strategic Outcome to provide an appropriate framework for the county and its surrounding areas.

The Assembly look forward to further engagement with Longford County Council as the plan is progressed through to implementation stage. If you have any queries in respect of the above observations then do not hesitate to revert.

Yours Sincerely

David Minton, Director.
