We are living in Ardagh for over 20 years and the village is what makes us smile each day we are in it. Why would the owner of the estate want to change the village? He won't and its up to Longford to say No.. Go for a drive out there, bring young and old, it's perfect, take a breath, calm down.

Also so much to see on the grounds its a shame people can't connect with our local history..
