

Draft Longford Town Local Area Plan

Submission for the footpath upgrades in Longford town

Draft Longford Town Local Area Plan 2025-2031-Submission

My name is Rachael. I live in an estate in Longford Town (Ardnacassa-Dublin Road).

My estate is not mentioned in the footpath upgrades for 2025-2031.

The paths in my estate need to be fixed, they are broken.

I have taken pictures on my mam's phone. She has helped me attach these below.

Old people walk on the roads with sticks and are afraid to walk on the paths in case they hurt themselves, they need these paths fixed. They are walking to fix their sore legs.

Mammies with their babies walk on the road because they cannot walk on the footpaths with their prams.

Children fall and hurt themselves on the paths because they are broken.

It is dangerous to walk on roads in case a car is driving too fast they could be hurt.

I hope you will fix the paths in my estate soon so that everyone can walk on the paths and not be afraid.

Rachael, Age 11

Rachael Barry Molloy

■ Ardnacassa Manor

Dublin Road,

Longford Town

Pictures of the paths in my estate, please fix them they are broken.
