I wish to strongly object to the proposed plan for the development of the land surrounding Battery Court estate.

I have been living in this eatate for 13 years and it is a quiet and safe place to live. I would be concerned that opening it up to the public with cycle and walkways would have a very negative impact on the residents in the area, including service users from St. Christopher's.

I alao object to the proposed development of extra housing in the area which would lead to over congestion and impact negatively on the residential community.

Yours sincerely,
Cristín Delaney
