**RE: Part 8 – N63 Athlone Road Active Travel Scheme.  
Withdrawal of the Part 8.**

Rita,

The roads section of Longford Co. Co. wish to withdraw this part 8.

The reason for the withdrawal is in relation to the name given to the part 8 which does not correspond with the name assigned to this scheme by the TII, the funding authority.

It is our intention to re-advertise the part 8 in next week's Longford Leader, subject to all other documentation being prepared.

All documents of the Part 8 will be changed to reflect the required name for the part 8 "N63 Farannyhoogan".

There will be no other change to the Part 8 documentation.

We will provide full documentation for the revised part 8 as soon as it is available.

Regards,

Con Diffley.  
Senior Executive Engineer  
Roads Section  
Longford County Council.
