Issue	P1

PART 8

- WORKS TO EXISTING BUILDING:**

  - New hardwood framed fixed glazed partition / screen
  - New solidcore door with glazed vision panel
  - New platform lift within solid stock shaft with plaster skim coat and paint finish
  - Existing hardwood framed sash window retained and refurbished
  - New hardwood framed sash window to match existing
  - Existing hardwood framed glazed and panelled door retained and refurbished
  - New hardwood framed glazed door
  - Existing opening widened and adjacent walls made good to match original
  - New opening formed in existing wall and adjacent walls made good to match original
  - Existing window opening widened, cut down to floor level and double door installed
- WORKS TO REAR EXTENSION AND FORECOURT:**

  - Bronze anodised aluminium framed glazed door
  - Bronze anodised aluminium framed fixed cladding panel
  - Terrazzo / reconstituted stone internal flooring
  - Bronze anodised aluminium framed fixed glazed window to courtyard
  - Hardwood veneered storage wall / chair storage
  - Hardwood veneered mobile partition system to allow room reconfiguration
  - Natural stone external paving
  - Natural stone external steps
  - Natural stone external accessible ramp
  - Natural stone external raised planter
- WORKS TO EXISTING BUILDING FABRIC:**

  - External walls to be insulated internally with breathable mineral wool insulation.
  - Sand cement render to be removed and lime-based render applied.
  - Limestone (flags, slings, chimneys and sawstones) to be pressure cleaned.
  - Annexe walls to be infilled with masonry.
  - Insulated internally with breathable mineral wool insulation.
  - Lime-based render applied externally to match adjacent replacement render.
  - New masonry and timber frame wall construction.
  - Insulated internally with breathable mineral wool insulation.
  - Lime-based render applied externally.
