Good morning,

I am in possession of land that is included on the draft rzlt map and I would like to make a submission for the following two parcels of land.

[REDACTED]

I would like for these parcels to be removed from the rzlt. They are not derelict, substantial work has been carried out to make them both to be operational. The commercial premises is currently being renovated, electricity has been reconnected and forecast to open in the next few months. The rest of the parcels are under grass and used for agricultural use.

Please get in contact with me if you need any additional information.

Kind regards

[REDACTED]
