To whom it may concern,

I am writing to make a submission to exclude land LDLA202202783, please see attached map, from the residential zoned tax map for the following reasons:

- a) This land is in use for farming purposes.
- b) This land is landlocked, the only access to this land is through a private gateway adjacent to my dwelling.
- c) The dwelling is already subject to LPT.

Regards,
