View of parking in front of school

The proposed development will consist of:

The provision of a bus parking area outside of the school, regulation of parking in front of school and narrowing of the carriageway L1170, the provision of a safe walking and wheeling area from the Richmond Harbour Canal Bridge area to Scoil Mhuire Clondra. This involves the construction of a raised table area at the T junction between the L1171 and the L1170, the provision of a Zebra crossing and a footpath on the north side of the bridge and a raised table at junction between the L1171 and the L11711. The creation of a yield right of way system over the Bridge. It also involves the provision of a raised crossing at entrance to car park. Other works include surface colour change, road markings, pencil shaped bollards and all other associated site works.
