Councillor Paul Ross

- (i) I call on Longford County Council to repair and upgrade the pavement outside the OPD houses at Smithfield, Legan as they are currently causing trips and falls.
- (ii) I call on Longford County Council to investigate the possibility of installing speed ramps in Ballycloughan village due to the high level of speeding in this built-up area.

Councillor Pat O'Toole

I call on Longford County Council in conjunction with An Garda Síochána to extend the current 60 KLM speed limit on the R392 at Terlicken, Ballymahon by 500 / 600 metres on the approach from the Lanesborough direction to beyond Groarke's Agri Store.

Councillor Martin Skelly

I call upon Longford County Council to review and resolve the current situation at Barley harbour whereby those who come to visit the area during the fine weather will park in a uncoordinated way making life difficult and impossible for the local people to use the harbour .As Longford Co council are now the long term leaseholders it is their responsibility to ensure that the current rules and regulations are enforced and proper markings are put in place so that they will be no doubt in people's minds as to where you can and cannot park.
This is a matter of urgency and must be resolved asap before a major disaster happens
