**Councillor Padraig McNamara**

- (i) I call on Longford County Council to engage with Uisce Éireann seeking an urgent update and remedial action regarding ongoing and recurring water supply and pressure issues affecting residents in the following areas, Tonywarden, Leitrim, Ferskil and Ballymacroley. Residents in these areas are continuously experiencing low water pressure, intermittent supply and outages, which are having a significant impact on households and farms.
- (ii) I call on Longford County Council to review existing winter gritting arrangements within the Granard Municipal District and give consideration to prioritising approaches and access routes to national schools in Killasonna, Killeen, Bunlahy, Mullinalaghta and Aughnagarron during periods of frost and icy conditions. Doing this will improve safety for pupils, parents, school staff and road users during school drop-off and collection times in freezing weather.

**Councillor Colin Dalton**

- (i) I call on Longford County Council to consider adding the Soran Road, Ballinalee to Mallons Cross on the 2026 gritting programme.

**Councillor Garry Murtagh**

- (i) I call on Longford County Council for an update on the report regarding the ring road/bypass of Granard Town and the allocation of €100,000 towards the same sought by former Councillor PJ Reilly.
